The Kiffs are singer and guitarist, Bonnie, Honor on drums, Lola on bass guitar & Tallulah on lead guitar. At just 13 years old they won a competition to support Rat Boy at Zooquarium Festival on Hastings Pier and have been taking Hastings by storm ever since. They're regulars at The Printworks, The Brass Monkey and supported Kid Kapichi at their EP launch at The Carlisle. Influenced by bands such as Deap Vally to The Yeah, Yeah Yeah's, Radiohead and Wolf Alice, they write their own material and are currently working on an EP. All this and they're still at school in Rye!

**Freak Flag 7.30pm-9pm**

Continuing their 'Summer of Love Experience' Celebrating 50 years of Jimi Hendrix Electric Ladyland album, also playing material by Cream and hits from the Woodstock era. They headlined the Rye Jazz and Blues festival in 2017 and will be again in 2018.

**7-Teen Fifty-9 9.30pm-10.45pm**

First time at the festival, 7-Teen Fifty-9 are a funky Kent based covers band with a twist. Covering hits from the likes of the Rolling Stones, Jimi Hendrix, The Who, Kings of Leon, Oasis and more!
